20th Annual Convocation

Class of 2024

## **Content from link 6: <https://kiit.ac.in/campuslife/sports/>**

Welcome to the dynamic world of sports at KIIT & KISS, where we champion the ethos of holistic development.

At KIIT & KISS, sports are not just activities but a way of life, integral to our educational philosophy. Our commitment to sports is a testament to our holistic approach to education.

Unique Recognition

At KIIT & KISS, the inception of a sporting legacy began with Dr. Samanta's pioneering vision. Recognising the importance of sports in education, she laid the foundation for a robust sports infrastructure.

KIIT's sports infrastructure is a testament to excellence. With facilities like an expansive athletics stadium, modern sports complexes, and well-equipped indoor sports halls, KIIT & KISS provide a world-class environment for students to pursue their sporting passions.

KIIT & KISS are not just about world-class facilities but are the nurturing ground for over 300 dedicated sports teams. From traditional sports like Cricket, Football, and Basketball to emerging sports like Rugby and Chess, we offer a wide range of options for students to choose from.

Embracing inclusivity, KIIT & KISS have made monumental strides in introducing sports like Rugby and Chess, ensuring that every student, regardless of their background or interests, has the opportunity to participate and excel.

With 12 Olympians already part of the KIIT family, Dr. Samanta's ambition doesn't rest. The goal is now to nurture more talent and create a legacy of sporting excellence that will inspire generations to come.

Dr. Samanta’s vision extends beyond current achievements. His aim is to instil quality sporting facilities in

20th Annual Convocation

Class of 2024

**Content from link 20: <https://kiit.ac.in/campuslife/sports/>**

Welcome to the dynamic world of sports at KIIT & KISS, where we champion the ethos of holistic development.

At KIIT & KISS, sports are not just activities but a way of life, integral to our educational philosophy. Our commitment is to provide a platform for students to showcase their talents and achieve excellence in sports.

Unique Recognition

At KIIT & KISS, the inception of a sporting legacy began with Dr. Samanta’s pioneering vision. Recognising KIIT’s sports infrastructure is a testament to excellence. With facilities like an expansive athletics stadium, KIIT & KISS are not just about world-class facilities but are the nurturing ground for over 300 dedicated sportsmen. Embracing inclusivity, KIIT & KISS have made monumental strides in introducing sports like Rugby and Chess. With 12 Olympians already part of the KIIT family, Dr. Samanta’s ambition doesn’t rest. The goal is now set for more. Dr. Samanta’s vision extends beyond current achievements. His aim is to instil quality sporting facilities in

## **Content from link 35: <https://kiit.ac.in/about/>**

### Quick Facts

### World Class Campuses

### Overview

Kalinga Institute of Industrial Technology (KIIT), a household name in the education sector, has become a household name. KIIT started in 1992-93 as an Industrial Training Institution. However, 1997 is considered the base year for KIIT. One would find it difficult to imagine that such a celebrated institution with a global reputation was established in Bhubaneswar. It has received all accreditations and affiliations from prestigious national and international bodies such as AICTE, UGC, NBA, AACSB, EQUIS, and AMBA. KIIT has made colossal contributions to sports, having produced 23 Olympians. The University has been honoured with numerous awards and recognitions.

### Vision

? To create an advanced centre of professional learning of international standing where pursuit of knowledge is the primary objective.

### Mission

Imparting value based quality education of international standard and imbuing skill for solving real life problems.

Inculcating global perspective in attitude.

Creating leadership qualities with futuristic vision.

Fostering spirit of entrepreneurship and realisation of societal responsibilities.

Cultivating adaptation of ethics, morality and healthy practices in professional life.

Instilling habit of continual learning.

Encouraging and supporting creative abilities and research temperament.

Establishing and promoting close interaction with industries and other utility sectors and keeping abreast with the latest developments.

KIIT Deemed to be University has made a significant jump in the scores in the Times Higher Education ?World Reputation Survey.

## Testimonials

I have been extraordinarily impressed with the phenomenal work undertaken by KIIT/KISS. The work of the

Several Centres of Excellence have been established in collaboration with industry. They provide ideal platform for students to gain practical experience.

KIIT actively promotes entrepreneurship among its students and youths at large. An Entrepreneurship Cell has been established to provide guidance and support to students.

KIIT Technology Business Incubator (KIIT-TBI) started in 2009 as an initiative of Kalinga Institute of Industrial Technology, Bhubaneswar.

Since its inception, KIIT ? TBI has provided a vibrant ecosystem for promoting innovations and entrepreneurship among students and youths.

KIIT ? TBI is a member of Asia Pacific Incubation Network (APIN) and Indian STEP's and Business Incubation Centre (BIC) network.

It is the epicentre for technology startups and entrepreneurs in the eastern and northeast region.

At KIIT, we pride ourselves on providing not only the highest standards in academics, but helping shape the future of the nation.

Biogas-Development Training Centre a flagship program of MNRE, Govt. of India, conducts training programs for students and youths.

KIIT students got the licence to organise TEDx for KIIT in 2015. It was the first of its kind to be hosted by a university in India.

URL : <https://www.tedxkiituniversity.in/>

KIIT Green is a bold initiative of KIIT to control environmental pollution and to create a healthy ambiance in the campus.

The University has drawn ambitious plan to make KIIT campus totally vehicle free. In the first phase, use of private vehicles will be restricted.

Besides mass plantation and limiting vehicular pollution other environmentally friendly initiatives under KIIT Green are being implemented.

Quick Facts

World Class Campuses

Overview

Kalinga Institute of Industrial Technology (KIIT), a household name in the education sector, has become a household name. KIIT started in 1992-93 as an Industrial Training Institution. However, 1997 is considered the base year for its establishment. One would find it difficult to imagine that such a celebrated institution with a global reputation was established in Odisha. It has received all accreditations and affiliations from prestigious national and international bodies such as NBA, AICTE, UGC, etc. KIIT has made colossal contributions to sports, having produced 23 Olympians. The University has been honoured with numerous awards and recognitions.

Vision

? To create an advanced centre of professional learning of international standing where pursuit of knowledge is the primary objective.

Mission

Imparting value based quality education of international standard and imbuing skill for solving real life problems.

Inculcating global perspective in attitude.

Creating leadership qualities with futuristic vision.

Fostering spirit of entrepreneurship and realisation of societal responsibilities.

Cultivating adaptation of ethics, morality and healthy practices in professional life.

Instilling habit of continual learning.

Encouraging and supporting creative abilities and research temperament.

Establishing and promoting close interaction with industries and other utility sectors and keeping abreast w

Your Graduation Ceremony.

**Content from link 60: <https://kiit.ac.in/about/kiit-edge/>**

Several Centres of Excellence have been established in collaboration with industry. They provide ideal platform for students to gain practical experience.

KIIT actively promotes entrepreneurship among its students and youths at large. An Entrepreneurship Cell has been established to support the students in their entrepreneurial ventures.

KIIT Technology Business Incubator (KIIT-TBI) started in 2009 as an initiative of Kalinga Institute of Industrial Technology, Bhubaneswar.

Since its inception, KIIT ? TBI has provided a vibrant ecosystem for promoting innovations and entrepreneurship among students and youths.

KIIT ? TBI is a member of Asia Pacific Incubation Network (APIN) and Indian STEP's and Business Incubation Centre (BIC) network.

It is the epicentre for technology startups and entrepreneurs in the eastern and northeast region.

At KIIT, we pride ourselves on providing not only the highest standards in academics, but helping shape the future of the nation.

Biogas-Development Training Centre a flagship program of MNRE, Govt. of India, conducts training programs for students and youths.

KIIT students got the licence to organise TEDx for KIIT in 2015. It was the first of its kind to be hosted by a university in Odisha.

**Content from link 64: <https://kiit.ac.in/about/founder/>**

KIIT?A Group of Professional Institutes & KIIT

KISS ? A Home for 80,000 Tribal Children (KG to PG)

Landline : +91 674-2740326

E-mail : [achyuta@kiit.ac.in](mailto:achyuta@kiit.ac.in)

Website : [achyutasamanta.com](http://achyutasamanta.com)

Prof Achyuta Samanta?s life story reads like a powerful saga of grit, determination, and social responsibility.

Today, these institutions are beacons of hope, providing world-class education, decorated with all possible accolades.

He developed the first smart village in Asia ? Kalarabanka Smart Village and a model panchayat in Odisha.

Prof Achyuta Samanta?s life story is one of inspiration and hope. It is a testament to the indomitable human spirit.

20th Annual Convocation

Class of 2024

**Content from link 71: <https://kiit.ac.in/academics/scholarships-fellowships/>**

Various types of Scholarships have been instituted by the University for encouraging meritorious students.

Different scholarships, stipends and fee relaxations are available in KIIT Deemed University.

The scholarship is instituted in the memory of Late Pradyumna Kishore Bal, Founder President of KIIT. Ever since its inception, KIIT has instituted Poverty-cum-Merit scholarship for the poor and needy students. The amount and period of scholarship varies from 5000 INR to 10000 INR per month for 1st position holder in semester examination. KIIT has launched a living learning Programme for M. Tech students. This innovative programme has been initiated in the year 2019. KIIT Merit Scholarship varies from 5000 INR to 10000 INR per month for 1st position holder in semester examination. KIIT provides free education to the topper of KIITEE-2020 (Only for B.Tech. (4 years) if admitted at KIIT. In the year 2020, 2 students and 10 students from each country are provided with Full and Half tuition fee waivers respectively. KIIT Deemed to be University provides a full-time PhD scholarship of 20000 INR per month. A contingency fund of 50000 INR is available for both full-time PhD and M. Tech students.

## **Content from link 83: <https://kiit.ac.in/campuslife/sports/>**

Welcome to the dynamic world of sports at KIIT & KISS, where we champion the ethos of holistic development.

At KIIT & KISS, sports are not just activities but a way of life, integral to our educational philosophy. Our commitment is to provide a world-class sports environment for all students.

Unique Recognition

At KIIT & KISS, the inception of a sporting legacy began with Dr. Samanta's pioneering vision. Recognising the importance of sports in education, he laid the foundation for a robust sports infrastructure.

KIIT's sports infrastructure is a testament to excellence. With facilities like an expansive athletics stadium, modern sports complexes, and well-equipped indoor sports halls, KIIT & KISS are not just about world-class facilities but are the nurturing ground for over 300 dedicated sports enthusiasts.

Embracing inclusivity, KIIT & KISS have made monumental strides in introducing sports like Rugby and Chess, ensuring that every student has the opportunity to participate and excel.

With 12 Olympians already part of the KIIT family, Dr. Samanta's ambition doesn't rest. The goal is now to nurture more talent and create a legacy of sporting excellence.

Dr. Samanta's vision extends beyond current achievements. His aim is to instil quality sporting facilities in every corner of the campus, ensuring that sports remain a central part of the KIIT & KISS experience.

As we continue to grow and evolve, we remain committed to providing a world-class sports environment for all students, ensuring that every student has the opportunity to participate and excel.

At KIIT & KISS, sports are not just activities but a way of life, integral to our educational philosophy. Our commitment is to provide a world-class sports environment for all students.

Olympian & Arjun Awardee

Magnify your professional career with

Ranked Among NAAC A++

NIRF 15th

About KIIT University

KIIT, though a very young institution has performed incredibly well in the rankings conducted by various national and international bodies.

Several Centres of Excellence have been established in collaboration with industry. They provide ideal platform for research and development.

Why KIIT

Develop Relevant & Up-To-Date Skills

In today's era of cut-throat competition, you need to gain skills relevant to the current industry trends. Online Learning programs help you to do so.

Learn without any Age limitation

There is no age limit to pursue Online Learning programs, which means you can learn at any point in your life.

Learn at Your Own Pace

With Online Learning, you can study according to your pace. There's no pressure of learning in a specific time frame.

Study Whenever, Wherever

Study as per your convenience without worrying about any timing restraints, unlike regular programs. Choose your own pace.

Pursue Job & Studies Simultaneously

Online Learning Programs allow you to upskill yourself alongside a job, which widens your career prospects.

Increased Chances of Promotion & Higher Remuneration

Employees with advanced skills are always preferred for higher positions. Thus, upgrading your knowledge and skills can lead to higher remuneration.

About KIIT University

KIIT, though a very young institution has performed incredibly well in the rankings conducted by various national and international bodies.

Several Centres of Excellence have been established in collaboration with industry. They provide ideal platform for the students to gain practical experience.

Why KIIT

Develop Relevant & Up-To-Date Skills

In today's era of cut-throat competition, you need to gain skills relevant to the current industry trends. Online Learning programs provide you with the latest and most relevant skills.

Learn without any Age limitation

There is no age limit to pursue Online Learning programs, which means you can learn at any point in your life.

Learn at Your Own Pace

With Online Learning, you can study according to your pace. There's no pressure of learning in a specific time frame.

Study Whenever, Wherever

Study as per your convenience without worrying about any timing restraints, unlike regular programs. Choose your own time and place to study.

Pursue Job & Studies Simultaneously

Online Learning Programs allow you to upskill yourself alongside a job, which widens your career prospects.

Increased Chances of Promotion & Higher Remuneration

Employees with advanced skills are always preferred for higher positions. Thus, upgrading your knowledge and skills through online learning can lead to higher remuneration.

## **Content from link 94: <https://library.kiit.ac.in/courses-offered/>**

Welcome to the Department of Library and Information Science at KIIT Deemed to be University. Our department is dedicated to providing a high-quality education in library and information science.

Our mission is to produce dynamic professionals in library and information science who can lead and manage libraries and information services in the 21st century.

Our vision is to be a premier destination for individuals seeking to pursue careers in library and information science.

**Why Choose Library and Information Science?**

One can access information from a variety of sources, including printed books, e-books, printed journals, e-journals, and digital resources.

**Academic Programmes**

**Master of Library and Information Science (M.Lib.I.Sc)**

This 80-credit program can be completed in four semesters of full-time study in two years. The M.Lib.I.Sc. is a professional degree that prepares students for careers in library and information science.

**Eligibility :** Any Graduate (B.A., B.Sc., B.Com.,etc.) including BBA, BCA, B-Tech, etc., from a recognized university.

**Doctor of Philosophy(Ph.D.)**

This program offers opportunities for the research scholars to carry on research on different topics of interest in library and information science.

**Eligibility :** Candidates who have secured a minimum of 55% marks in Master of Library and Information Science.

**Facilities**

**Extensive Collection:** Students can access a diverse collection of books, journals, periodicals, databases, and digital resources.

**Hands-on Learning:** Students will have access to state-of-the-art facilities, including a digital Library, computer lab, and internet access.

**Internship and Career Support:** We offer internship placements, career counseling, and networking opportunities.

**Seminars and Conferences:** We regularly conduct International Conferences, Seminars, Workshops, Library Conferences, and other academic events.

**KIIT Central Library**

20th Annual Convocation

Class of 2024

**Content from link 120: <https://kiit.ac.in/event/arsenic-in-the-environment-arsenic-and>**

Arsenic and other co-occurring pollutants in the environment have been an issue of major concern in the last few decades.

Arsenic and co-occurring pollutants in drinking water (mainly groundwater) have emerged as a global health problem.

With a global perspective, the 9th International Congress & Exhibition on Arsenic in the Environment will take place in Bhubaneswar, India, from 15-19 November 2024.

The theme of the 9th International Congress and Exhibition is Arsenic and Other Pollutants, Water Security and One Health under Global Climate Change.

Theme 1: Arsenic in natural environment

Theme 2: Arsenic in food and agricultural ecosystem

Theme 3: Health perspectives of environmental arsenic

Theme 4: Advancements in clean water technologies for arsenic removal and immobilization

Theme 5: Sustainable mitigation and management

In addition to these five themes, we will include 5 Special Sessions which will cover the legacy (trace elements), water security, and sustainable management of pollutants.

Session 1: Source and distribution of pollutants in different natural settings

Session 2: Advancements in clean water technologies for pollutant removal and immobilization

Session 3: Pollutants in dietary systems and health perspectives

Session 4: Policies and sustainable management of pollutants

Session 5: Sensors, innovation, technologies, and artificial intelligence for pollution monitoring and management
